

PRIVATE LESSONS

Private lessons are a great opportunity for an athlete to focus on learning new skills and getting some extra attention. A specific instructor can be requested and we will do our best to accommodate your child, depending on that instructor's specific availability. If no specific instructor is requested, we will do our best to match your child with an instructor who can best suit your child's specific needs. All private lessons must be arranged at least one week in advance through the Gym office and will be scheduled when payment is received.

Please initial your understanding of and agreement to the following Private Lesson Policies:

_____ All private lessons must be arranged (not directly with the individual instructor). Please arrive at least 10 minutes prior to each lesson. Check in with the office, and then the gymnast may store their belongings in a cubby and wait in the waiting area until their instructor is ready.

_____ The private lesson will begin promptly at the scheduled time. If a gymnast is late, the private will still end at the scheduled end time. If a gymnast is more than 15 minutes late, the private lesson will only be held at the instructor's discretion. No refunds will be given if their instructor deems the athlete too late to participate .

_____ Please confirm your private lesson either in person, by e-mail or by phone at least 48 hours prior to the lesson. Out of courtesy to the instructor, please make any cancellations at least 48 hours prior to a scheduled private lesson. No refunds will be given for cancelled private lessons.

_____ All privates must be paid for a week in advance of the lesson. Payment is made to the Gym (not the individual instructor). We accept checks or cash.

_____ Any gymnasts with a current balance on their account will not be able to participate or schedule a private lesson until this balance is paid.
